The Harvest Dance

AT KOINER FARM

The Charles Koiner Conservancy for Urban Farming (CKC Farming) is hosting its fourth annual Harvest Dinner & Dance. This signature event will feature an intimate urban farm setting with delicious food and beverages, under a canopy of twinkling lights.

An anticipated one hundred neighbors and community leaders will gather for a farm-to-table meal followed by light-hearted community dances led by a professional. Prior to the dance, our sponsors are invited to join us for special reception, with small group tours of the farm and a signature cocktail.

Nonprofit urban farms, like Koiner Farm, offer corporations some of the best opportunities for social responsibility, staff engagement, and visibility. If your corporation is seeking a nonprofit partner who is addressing some of the most pressing social issues of our time, please consider a Harvest Dance Sponsorship in support of the Charles Koiner Conservancy for Urban Farming.
